

## Video call service

Some au stores offer interpreter services via video calls.

Most operators are native speakers, and all are certified Nihongo Kentei (The Japanese Language Examination) Grade 1 holders.

**Calls with an interpreter are available via a three-party calling service.**

See the list of stores where this service is available. [https://www.au.com/english/storelocator\\_multilanguage/](https://www.au.com/english/storelocator_multilanguage/)

<Languages> English, Korean, Chinese, Portuguese, Spanish, Vietnamese, Tagalog, Thai, French, Nepali, Hindi, Russian, Indonesian, Burmese, Malay, Ukrainian\*

\* Tagalog, Thai, Vietnamese, French, Nepali, Hindi, Russian, and Indonesian interpretation are available only at specific times.

## A website and app to solve your problems here and now.

au homepage: <https://www.au.com/english/>

### au Support (Web) (English only)

The page contains various support information that is useful when you need help.
