[Notes]

- Usage with au Unlimited Data Overseas is included in the usage amount for determining automatic discounts based on data usage for the following plans: "Unlimited Data MAX Plan," "au Money Activity Plan" and "Data MAX" for au, and Toku-Toku Plan for UQ mobile.
- This service covers email, Internet use, and tethering from au/UQ mobile/povo1.0 devices.
- <If you are using au and not subscribed to Data Charge> au Unlimited Data Overseas will not apply, and you will be charged according to Kaigai Double-Teigaku for your data communication charges.
- <If you are using au/UQ mobile and do not wish to use au Unlimited Data Overseas> You must apply for the "Option Rejecting au Unlimited Data Overseas"; in this case, you will be charged according to Kaigai Double-Teigaku.
- Your line may be temporarily suspended if your charges for overseas data communications become particularly high.
- Depending on the telecommunication situation at your destination, our partner overseas operators, as well as applicable countries and regions, may vary or become unavailable.
- The service may not be accessible even in covered countries and regions, depending on the terrain and location.
- Your communication speed may be restricted if you use a significant amount of data within a certain period of time (in 24-hour increments).

✈️ Set it up on your smartphone in just 3 steps!

1 Download the Overseas Smartphone Usage application

※This app cannot be used by au Keitai users.

iPhone From App Store

Android™ From Google Play™

Search for “海外スマホ利用 (Overseas Smartphone Usage application)”!

2 Book in advance before departure

※You can make changes or cancel until 1 hour before the service usage start time. (Free)

The screenshots show the app interface for booking the service. Step 1: Confirm the phone number (000-0000-0000). Step 2: Select the country/region (Hawaii) and service start day (2024年10月15日) and number of days (09時00分). Step 3: Confirm the details and tap “予約する (Book the service)”.
