- \*1 Do not jab with a sharp object such as a needle. Doing so may cause a malfunction.
- \*2 Note that covering these parts with stickers or fingers, etc. may hinder product performance.
- \*3 The display has a protective sheet (complimentary sample) already adhered.
- \*4 The antenna is built into the main unit. Covering around the antenna by your hand may affect the quality of call/communication.
- \*5 The back panel is not removable. Trying to remove case may cause breakage or malfunction. Battery is built in and is not removable.

# Attaching SIM card

---

Before attaching SIM card, make sure to turn off the product.

- 1 Insert SIM removal pin (complimentary sample) into tray removal hole straight**

- 2 Pull out microSD memory card/SIM card tray straight**

**3 Hold the SIM card with its IC (metal) chip downward and insert in microSD memory card/SIM card tray**

Note location of notch.

Make sure SIM card is in tray securely.

**4 Press microSD memory card/SIM card tray straight into the product**

Make sure there is no gap between the main unit and the microSD memory card/SD card slot cover.

# Turning the power on/off

---

## ■ Turning the power on

- 1 Long-press the power key for at least 4 seconds**

The lock screen appears.

Swipe (flick) the screen to unlock. An initial settings wizard appears the first time the product is powered on after purchase.

Follow the onscreen instructions to set functions.

## ■ Turning the power off

- 1 With screen on, long-press the power key for at least 2 seconds**
- 2 [Power off] → [Tap to Power off]**

## ■ Forcing the product to turn off and restart

- 1 Long-press the power key for at least 10 seconds**

# Switching to English Display

---

Switch the language displayed on the screen to English.

**1** Home screen → [設定 (Settings)] → [追加設定 (Additional settings)] → [言語と入力 (Languages & input)] → [言語 (Languages)]

**2** [English]

The message "起動中のアプリ、メール送受信、ダウンロードなどが終了される場合があります。"

(Applications, mail transmission/reception, and downloads may be terminated.)

appears, confirm the content and then tap [OK].
